School Meal Update

For the past several years, all Pasco County Schools have been part of a federal program called the Community Eligibility Provision (CEP). This program has allowed us to offer free breakfast and lunch to all scholars, regardless of income. However, due to rising food costs and changes in federal legislation, our district will be making some changes starting with the 2025–26 school year.

Schools in high-poverty areas will continue offering free meals to all students through the CEP program, all other schools will return to the traditional meal program. **Classical Prep has been identified as a non-CEP school, which means families will need to fill out the Free and Reduced-Price Meal Application with the district to see if their child qualifies for free or discounted meals.**

CLICK HERE to access the Free & Reduced-Price Meal

CLICK HERE to view the meal prices for breakfast and lunch. For more information about the CEP program from the district, **CLICK HERE.**

Summer Assignments and Supply Lists for the 2025-26 school year are now available! CLICK HERE to view the lists pertaining to your child(ren)'s 2025-26 grade level on the Classical Prep website.

Summer Assignments will be due on the 1st day of school, Monday, August 11th.

If you have any questions about summer assignments, please contact summerbridge@classicalprep.org.

As we prepare for the upcoming school year, please remember that all scholars will need their own copies of the required novels for literature and humanities. These books are essential for highlighting, annotating, and engaging deeply with the text, an important part of the Classical Prep curriculum.

To make this easier for families, used copies will be available for purchase at Meet & Greet in the gym for just $5.00 each. We encourage you to take advantage of this opportunity to secure your child's books early and at a low cost.

The start of the school year is almost here, and we could use your help with some final preparations! Our front office team has a few last-minute projects, from organizing

materials to helping with prep work, your support will help ensure a smooth start for our scholars and staff.
