

Classical Prep's Student Parking Information and Policies

Students are encouraged to ride the school bus or with parents whenever practical. CPS understands the dynamics of high school years, the added opportunities and responsibilities of extracurricular activities, and the need for after-school employment. Students may drive to school if they provide CPS written permission of their parent or legal guardian and the vehicle owner.

Students will receive a non-transferable parking pass and must follow all regulations established by the school. Students who drive to school must obtain permission from the administration in advance. Driving to school is a privilege, which may be revoked at any time that the student demonstrates an unwillingness to assume the responsibility of properly handling his/her vehicle.

1. Students who wish to park their vehicles on school property must have their insured vehicle registered through the Florida Department of Motor Vehicles. Cars that are not registered and inappropriately/illegally parked may be towed at the owner expense.
2. All student-driven cars must be registered in the office.
3. Students will be given assigned places to park and the cars are not to be moved until the students leave for the day.
4. Cars are to be locked while they are on school grounds. They are not to be occupied during the school day. As soon as students arrive at school, all must leave the car and go to the supervised designated area. Students are not to go to their cars during the school day.
5. Driving which endangers the safety of people will result in the immediate loss of driving privileges.
6. Students are not to transport other students unless both parents have submitted written detailed permission, including the names of all passengers.
7. Students who are truant or have excessive unexcused absences (5 in one month, 10 in one semester) are subject to having parking privileges revoked.
8. Students with excessive disciplinary action will have their parking privileges revoked.
9. Students are responsible for their vehicles and the contents within them. Vehicles can and will be searched if there is suspicion of illegal and/or prohibited items such as weapons, drugs, alcohol, stolen property, etc. Students will have their parking privileges revoked and face legal and/or disciplinary action if said items are found.
10. Students driving illegally will lose their parking privileges for the rest of the year and will be reported to authorities.
