

CPS Upper School Virtual Office Hours And Weekly Meetings

Office hours are intended to be times when students can reach their teachers and get an instant response, mimicking a classroom environment to the best of our ability during this challenging time. Students may use this time to ask a quick question, receiving clarifying information about a concept or assignment, or simply touch base with their instructors.

Yellow Highlighting across teacher names indicates a “live” video chat session for students on Google Meet or Zoom (platform depends on the teacher)

Un-highlighted names means teachers are available for instant response to students via Google Hangout or CPS email

Changes made to this schedule will be announced to students via their Google Classroom

TIME	MON	TUES	WED	THUR	FRI
