

Rising 2nd Grade Summer Work 2022

Dear Parents/Guardians,

Among all the joyful relaxing, playing, and memory making that comes with summer break, it is important that we keep our minds and hearts strong and active!

We are excited to present to you the CPS Summer Work requirements for both reading and math for your rising second grader. The purpose of summer work at Classical Prep is to ensure mastery of skills taught throughout the school year, dive into great literature, and ensure and accelerate math skills. Ultimately, we want to provide this enrichment summer work to support the continued academic growth and success of our scholars. We can't wait to see how well they do in the year ahead!

Time Requirement

Summer work will not take the entire day, nor the entire summer. It may be helpful to work with your child to develop a schedule/routine in which he/she will be able to work on the assignments over the entire summer. When we think about mastery, we often say, "meaningful practice over time." Therefore, it is not advised that you cram the assignments all in at the end of the summer.

Scheduling Example: Pick a four to six week block of time, pick four days in each of those weeks to allocate time to summer work, 20 minutes for reading and 10 minutes for math. For example, you could pick the first four weeks in June, Monday through Thursday. Maybe work on reading in the morning for 20 minutes, and math in the afternoon for 10 minutes. Make the schedule work for you and your family. The key is to try to be consistent in the routine.

Both the reading and math summer work will be due on the first day of school (Wednesday, August 10). The reading assignment will count as a language arts homework grade, and the math assignment will count as a math homework grade.

We hope you have an enjoyable summer, and we can't wait to see you in August!

With love,

The Second Grade Teachers at CPS

Rising 2nd Grade Summer Reading 2022

Each rising 2nd grader must read the first book of each of the series listed below. Then, using the scholar's favorite story of the three that were read, help your child complete the accompanying assignment.

<p style="text-align: center;">REQUIRED READING (We've included the links for purchase should you want to add them to your family's personal library.)</p>
<p style="text-align: center;">Read the <i>first</i> book of each of the following series:</p> <p style="text-align: center;"><u>Mouse Soup</u> Series <i>I Can Read! Level 2</i> by Arnold Lobel</p> <p style="text-align: center;"><u>Amelia Bedelia</u> Series <i>I Can Read! Level 2</i> by Peggy Parish</p> <p style="text-align: center;"><u>Nate the Great</u> Series by Marjorie Weinman Sharmat</p> <p><u>Then</u> (if able) read at least <i>two</i> more books from the series your child liked the most.</p>

If your child would like to read additional books, several suggestions are listed below:

Novel	Author
<i>Sam the Minuteman and George the Drummer Boy</i>	Nathaniel Benchley
<i>Fancy Nancy series</i>	Jan O'Connor
<i>Danny and the Dinosaur and other books</i>	Syd Hoff
<i>Little Bear Series</i>	Elise Minarik

Rising 2nd Grade Reading Assignment:

We are so excited for our scholars to begin reading these wonderful story series! We hope they continue on throughout all the books in these series because they enjoy them so much!

IMPORTANT DIRECTIONS: Parents/Guardians, we encourage you to read these stories alongside your child(ren) and enjoy them together. We also encourage working through the directions and the questions of the assignment together; however, scholars should write the answers themselves using the given lined text boxes under the questions on pages 4 through 7.

Here is a wonderful list of questions (found on pages 9-10) you can ask your child as they read with you. Asking these questions often spark fruitful conversations! [Compelling Questions to Ask Your Reader](#)

Please help your child(ren) to do the following:

- Put the scholar's name and the due date (08/10/22) on the rubric (pg. 3)
- Write answers in simple **complete sentences**
- Use **neat handwriting** (cursive if able) and write in pencil.
- Capitalize the first word in the sentence and proper nouns (names of people/characters and places).
- Use punctuation at the end of the sentence.

Name: _____

Date: _____

Scholar Name

Rising 2nd Grade Summer Reading Rubric 2022

Before submitting your assignment, please print out this rubric and attach it to your work. Staple the packet together with the rubric on top. The scholar and a parent should sign below after the work is completed, indicating that this work is the scholar's.

Submit the following on the first day of school:

- Signed Rubric = pg. 3
- Answer Sheets = pg. 4-7

TEACHER NOTES/COMMENTS:

_____/40 total points

Scholar's Signature: _____

Parent's Signature: _____

Rising 2nd Grade Summer Reading 2022

Title of Book You Will Write About _____

1. **Character:** Which of the characters is your favorite? Why is he or she your favorite? [_____/5 points]

Favorite Character's Name:
Reason 1:

Reason 2:

Reason 3:

2. **Character:** Who is the most courageous (or brave) character in your favorite story? Why is he or she brave?
[_____/10 points]

Most Courageous Character's Name:
Reason 1: _____ _____ _____ _____ _____
Reason 2: _____ _____ _____ _____ _____
Reason 3: _____ _____ _____ _____ _____

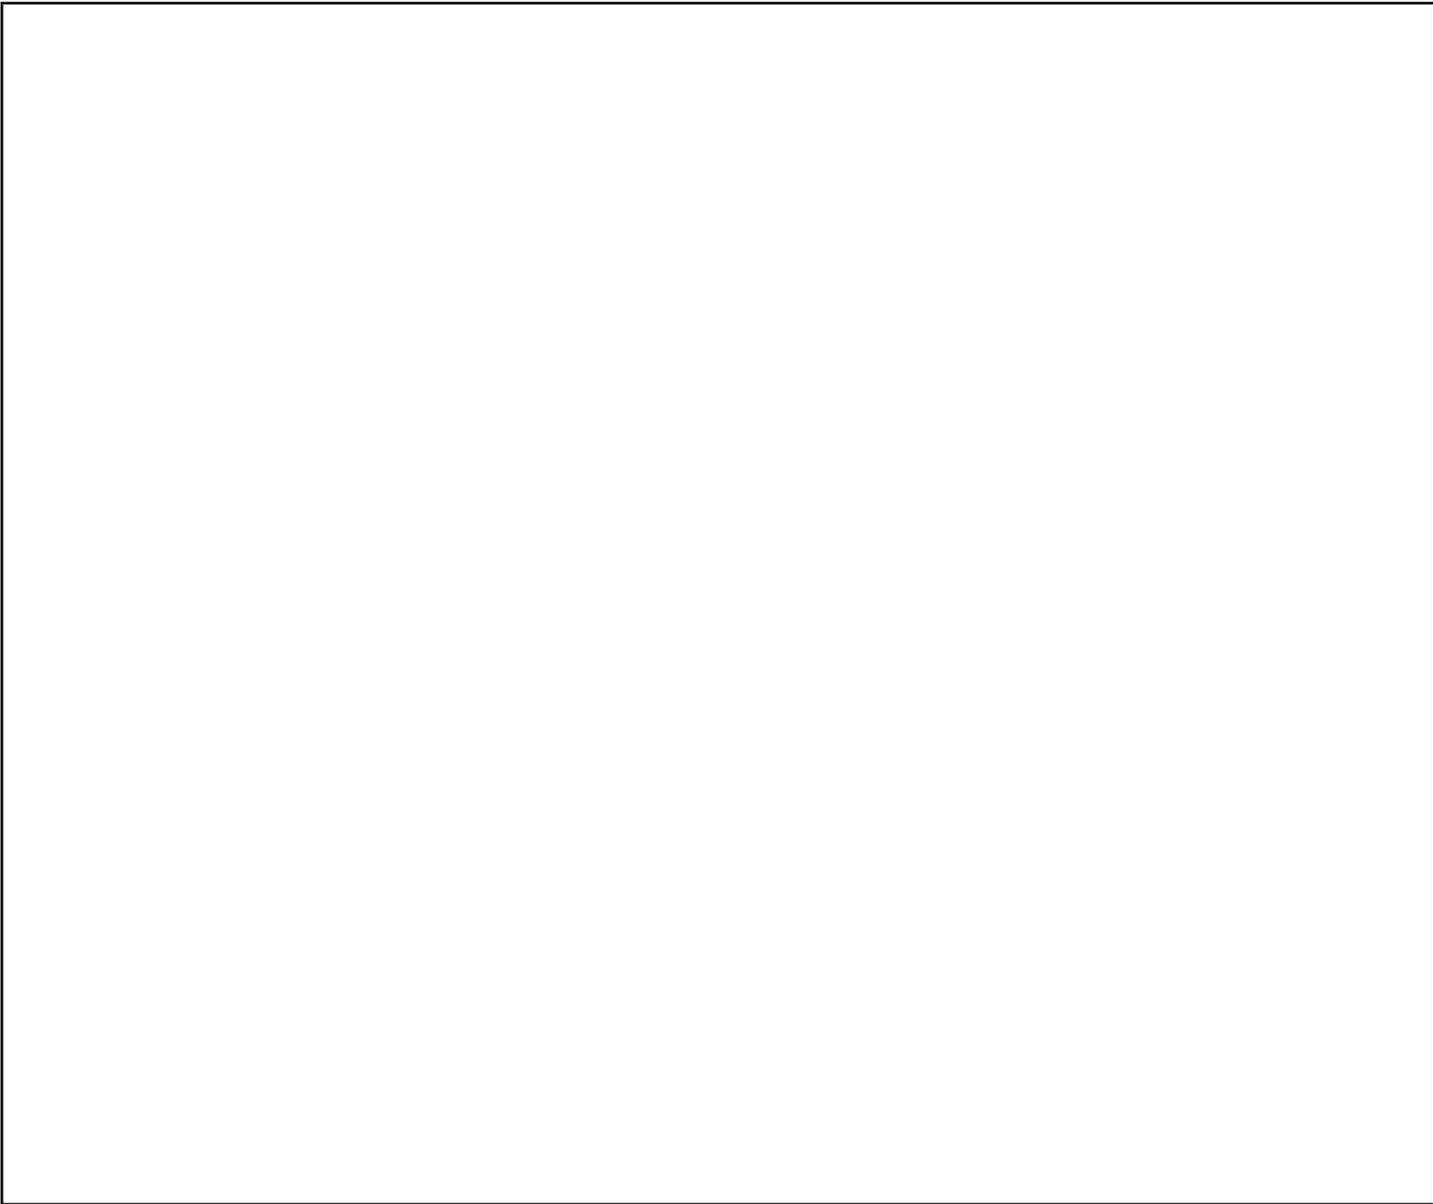

3. **Problem and Solution:** What is one big problem (conflict) an important character faces in your favorite story? How did that problem get fixed (or resolved)? [_____/10 points]

Important Character Name:
Big Problem (Conflict): _____ _____ _____ _____ _____ _____ _____ _____
How the Problem Gets Fixed (Resolution): _____ _____ _____ _____ _____ _____ _____

4. What is one thing you don't want to forget from your favorite book? This could be your favorite scene, an important lesson, or the moral of the story. [_____/5 points]

Story Title:
What you want to remember: _____ _____ _____ _____ _____ _____

5. Draw your favorite character or your favorite scene from the book in the box below. Don't forget to use realistic colors and draw with perfect execution like a hard-working 2nd grader! [_____/5 points]

Write a sentence describing what you drew in the picture above. [_____/5 points]

Four sets of primary writing lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line, for writing a sentence.

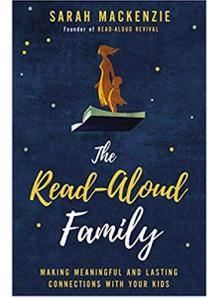

**Bonus & optional:* If you complete the assignment above and still have time on your calendar allocated to reading-- keep reading! We've provided a table for you to write the titles of all the books you read this summer. Do you think you will run out of lines?

Compelling Questions to Ask Your Reader

Parents: You don't have to ask all of these questions during every story/chapter. Picking one or two is perfectly fine!

1. What does the character want, and why can't he or she have it?

- a. Every story's main character wants something and can't have it-- that's the conflict. Something is inhibiting the character from getting what he or she most desires. There usually isn't only one right answer to this question.

2. Should he or she have done that?

- a. Should is an incredibly powerful word-- one must be thought through, reasoned with, and backed up. The answer might seem obvious on the surface, but ask this question once or twice, and you may be surprised at how much fun you can have with it.

3. How is X like Y? Or how is X different from Y?

- a. Considering how something is like or different from something else is how we develop metaphors. Metaphors matter because they are how we understand and communicate ideas to one another.
- b. Do not limit the comparisons to characters alone-- include places and objects.

4. Who is the most _____ in the story?

- a. Insert any character trait into the blank space. You'll probably need to follow up this question with a second one-- something like, "What makes you say that?" or, "Can you give me an example?"
- b. Here are some character traits to get you started: *ambitious, bold, brave, bright, calm, capable, careful, cautious, charming, considerate, cowardly, creative, dangerous, dauntless, deceptive, disloyal, demanding, determined, faithful, foolish, friendly, generous, grateful, greedy, happy, hard-working, honest, humorous, intelligent, loving, merciful, mysterious, naughty, nervous, noble, obnoxious, persistent, pleasant, proud, reliable, resourceful, restless, sad, selfish, selfless, sharp-witted, sincere, thoughtful, unkind, unselfish, virtuous, wise, witty...*

5. What does this story or character remind you of?

- a. Again, we want our children to learn to think in metaphor, because metaphors are how we understand and communicate ideas.

6. What is the character most afraid of?

- a. We learn a lot about a person by talking time to consider their greatest fears. This doesn't have to be the main character-- you can ask it about any of the central characters in the story who have their own fears and desires.

7. What would you change about the setting or main character if you were writing this book?

- a. This question might work best for children over age seven. They get the benefit of using someone else's world and characters as they play with language and plot twists.

8. What surprised you most?

- a. We can discover a lot about our kids by finding out what catches them off-guard, and is especially good after reading picture books, as picture book authors and illustrators often work very hard to surprise their readers.

9. Which character most reminds you of yourself?

- a. Most often we'll relate to the main character, but the conversations that follow this realization can lead to some great discussions and a new understanding of each other.
- b. Seeing ourselves in the books we read can shed a lot of light-- not just on the story, but on our own strengths and weaknesses as we live out our real day-to-day lives.

10. What is something you don't want to forget from this book (or from this chapter)?

- a. To answer this question, the reader must recall the story and bring to mind a specific scene.
- b. It's an easier question to answer than "What was your favorite part of the story?" because there's no pressure to find the very best answer. You can simply name any one thing you don't want to forget.

The conversations you unleash by asking open-ended questions in an easygoing, friendly way are limitless. You may find that one or two questions are your own go-tos, your favorites to ask your kids time and time again. A friendly disposition and a collection of open-ended questions such as these are all you need to have meaningful, lasting conversations with your kids about books.

Remember, the habit of asking compelling questions is more important than getting compelling answers. Make asking questions and having conversations as frequent and natural as asking your kids how their day went, or what they did at their friend's house. Don't worry too much about whether their answers are profound. That will come with time and practice. Instead, focus on helping your child develop a habit of asking questions.

*Questions and descriptions taken from the book, [The Read-Aloud Family](#), by Sarah Mackenzie, copyright 2018.

Rising 2nd Grade Summer Math

Basic math facts are the foundation of mathematics. Scholars won't be able to grasp more deep and challenging math concepts without mastery of their math facts! We want our scholars to love math, and this is the first and most critical step towards that end. Mastering something takes a lot of practice and dedication, so thank you, families, for continuing this good work during the summer months!

Math fact practice can and should be fun! Make it a challenge to beat the clock or mom or big brother. Practice with dice or dominos. Practice them backwards and forwards, upside-down and with eyes closed! Make it a race! However you can encourage your child to have fun learning their facts, we implore you to do so.

DIRECTIONS for MATH FACT PRACTICE SUMMER WORK:

1. *Math fact practice should take no more than 10 minutes per day! :]*
2. Make or purchase a set of addition AND subtraction flashcards (like [THESE](#)). Practice the flashcards for **five** minutes each day.
3. Work through the provided math packet. We recommend one page per day.

OPTIONAL:

IXL Practice- [Summer IXL Parent Handout](#)

Re-enrolling scholars will continue to have access to their IXL account for the summer. While it is not required, we know how many scholars enjoy IXL, and there is such good practice within the platform!

- **Note:** Don't forget to have your child "pinpoint" his/her math skills level by stepping into the arena at the beginning of their IXL time! After this, he/she can head into the skills practice section. The recommended skills will correlate to their math skill level and progressively get more challenging and skills are mastered!

Additional Fact Practice:

Scholars will continue to learn multiplication facts in second grade! If your child finishes the math packet that was provided and he/she wants to continue practicing, have them practice the "0" and "1" multiplication facts.

Stay sharp this summer on IXL!

We've used IXL to reinforce our curriculum this year, and your child will continue to have access to the online program over the summer. With thousands of interactive skills, IXL is a fun way for your child to keep their learning fresh.

DID YOU KNOW?

Studies have found that students lose one to two months of math and reading skills over the summer. Use IXL to encourage your child to continue learning!

HOW DO I FIND SKILLS TO WORK ON?

1. Sign in to your child's account at www.ixl.com

Username:

Password:

2. You'll be taken to their Recommendations Wall! These skills are personalized based on your child's practice history and current needs.
3. Have your child explore these recommendations and choose skills that are interesting to them.
4. Keep coming back to see new suggestions throughout the summer!

Put the letters in ABC order.

M D G

Keep at it Last practiced on February 6

Put the letters in ABC order - Kindergarten (76)

How many flowers are there?

HOW DO I CHECK MY CHILD'S PROGRESS?

1. Sign in to your child's account and select the "Analytics" tab
2. Select "Scores"
3. Review the list of skills practiced
4. Encourage your child to keep learning!

Overview of Ava's performance - This school year

Progress: 20%

- 13% Mastery
- 2% Excellence
- 5% Practiced
- 80% No practice

SKILL	SMARTSCORE	QUESTIONS ANSWERED	TIME SPENT	LAST PRACTICED
A. MAIN IDEA				
1. Use key details to determine the main idea	100	206	1 hr 49 min	December 9, 2019
B. THEME				
1. Determine the themes of short stories	100	99	1 hr 59 min	February 4

IXL MOBILE APPS

Going on a trip this summer? Take IXL along with our iPhone, iPad, Android, and Kindle apps!
