PARENTAL CONSENT- SIGNATURE REQUIRED

I hereby give my consent for my child to participate in the School Health Services Program. This means my child will receive vision, hearing, dental, skin, blood pressure, and height and weight screening at certain grade levels. (Grade 6-12 in addition, the school nurse conducts classroom, individual, and small group presentations on health issues such as abstinence, substance abuse prevention, dating and relationship issues, birth control, and sexually transmitted diseases at certain grade levels.) If I object to any of these health screening or programs, I will notify the school in writing.

In Case of an accident or serious illness. I want to be contacted by the school. If the school is unable to reach me, I hereby authorize the school to take whatever actions necessary to provide care and treatment for my child, and exchange medical information with the provider as necessary to support continuity of care for my child. I agree to pay all expenses incurred by the handling of this emergency care. In case of an accident or illness where immediate treatment of my child is not indicated, but where he/she is unable to remain in school, I request that one of the persons listed on this form be contacted and requested to care for my child until I can be reached.

I authorize the District School Board of Pasco County to release and exchange my child's confidential information (e.g., student name, records, and information related to services provided) to agencies of the state of Florida which would be allowed the District to verify Medicaid eligibility, bill Medicaid for reimbursable Certified School Match services reference on my child's individualized educational plan (IEP), and receive Medicaid reimbursement for Exceptional Student Education (ESE) services it provides to my child while at school. I understand that my child will continue to receive service referenced in his/her IEP whether or not I give consent.

My Signature indicates my parental consent, understanding, and agreement.
