PURCHASE YOUR CHILD'S REQUIRED NOVELS AT MEET & GREET!

As we prepare for the upcoming school year, please remember that all 3rd-12th grade scholars will need their own copies of the required novels for literature and humanities. These books are essential for highlighting, annotating, and engaging deeply with the text, an important part of the Classical Prep curriculum.

To make this easier for families, used copies of some of the novels will be available for purchase at Meet & Greet in the gym for just \$5.00 each. We encourage you to take advantage of this opportunity to secure your child's books early and at a low cost.

COMPLETE YOUR 2025-26 EMERGENCY CARDS & PARENTAL BILL OF RIGHTS

To ensure you have access to your child(ren)'s records, can report absences easily, and receive timely school communications, please log into your Parent Portal and complete the following required documents:

- Parental Bill of Rights Consent Form
- Emergency Card Information (Please note Emergency Cards must be completed for every child, even if your contact information has not changed.)
- Acknowledgement of Parent and Legal Notices

If you don't have a Parent Portal, you can set one up by clicking [HERE](#).

Once your child(ren)'s schedule(s) are available, you will be able to view them after these steps have been completed. We estimate that all schedules will be finalized by August 4th.

Thank you for your attention to these tasks. It helps us start the year smoothly and stay connected with you throughout the school year.

Classical Prep will continue to use PikMyKid for afternoon dismissal for the 2025-26 school year, for all grades K-12. The unique features of PikMyKid allow you, as guardians, to change pick-up modes easily, to quickly delegate an alternate individual for pickup, and to assign an 'After School' program that you have signed up for. This app allows you complete control of your child(ren)'s dismissal. It also gives us, the school, the most up-to-date and accurate pickup information on your child.

What is the first step for you as parents/guardians?

- Download the FREE PikMyKid app on your phone through your phone's App Store and create your account today!

- Select "Register a New Account" and follow the steps on the screen to sign up. You will be asked to verify your phone number and email address to complete the registration.
- **PikMyKid will automatically connect you with your child(ren) in Kindergarten through 12th grade only if the phone number matches the primary contact's phone number in myStudent.**
- If you see "No Children" on the screen, you can use the options below:
 - The primary parent/guardian in myStudent has been sent an email from PikMyKid with an electronic version of your car tag. Use this car tag to add each of your children to your account.
 - Note: After manually adding your child(ren) to your account, you may need to log out and log back in to reset the app.
 - If you are still unable to connect to your child(ren), please contact PikMyKid's support team directly at support@pikmykid.com. Please reference Classical Preparatory School in your email.

We highly encourage new families to complete these steps before Meet and Greet, on Tuesday, August 5th, so you can familiarize yourselves with the app and come prepared with any questions.

Returning Families:

Please ensure you still have the app installed on your phone and login to check that all children are connected to your account. If there are children who are missing from your account, please contact PikMyKid's support team directly at support@pikmykid.com. Please reference Classical Preparatory School in your email.
