FOOD SERVICE SURVEY

Help Us Improve Our School Meals!

We want to hear from our scholars! Our food service provider, SLA Management, is inviting scholars to share their feedback through a short **Food Service Survey**. This is a great opportunity for scholars to tell us:

- What meals and menu items they enjoy
- What could be improved in the cafeteria
- Suggestions for new meals or foods they would love to see offered

Scholar feedback helps our team and SLA continue improving the dining experience for everyone at school.

Scholars can [CLICK HERE](#) to complete the survey.

ATHLETICS

EKG For Athletes

Please review this [important flyer](#) regarding the required EKG screenings for student athletes. Beginning with the 2026–2027 school year, Florida law requires all incoming 9th-grade scholar-athletes to complete an electrocardiogram (EKG) screening before participating in FHSAA- sanctioned sports.

Our district will be partnering with [Who We Play For](#) to offer life-saving electrocardiogram (EKG) heart screenings for all students from 10-22 years of age for \$20 per student. Families may choose to complete the screening at any location listed on the [Pasco County Schools Flyer](#), which contains a link for how to sign up.

- All incoming 9th-grade student-athletes
- Students in grades 10-12 who have never participated in an FHSAA-sanctioned sport
- Any student who transfers to Pasco County Schools and participates in an FHSAA-sanctioned sport
- Returning athletes are not required to obtain an EKG, but it is strongly encouraged.

An EKG performed on or after July 1, 2024 will satisfy this requirement.

DID YOU KNOW?

- 1 in 300 youth have a potentially life-threatening, detectable heart condition that could lead to Sudden Cardiac Arrest.
- Sudden Cardiac Arrest is the #1 killer on school campuses and in student-athletes.
- A regular physical misses these conditions 96%-99% of the time.
- A 5-minute, non-invasive EKG catches these conditions 80%-96% of the time.

To learn more about what a heart screening looks like, watch this [video](#).
