CAMPUS ANNOUNCEMENTS

Updated Supply Lists

Because of the donations we have received, we have been able to significantly reduce the number of supplies Grammar School families have been asked to purchase, resulting in an average savings of approximately \$50–60 per family.

Please use the newly published supply lists when shopping for the upcoming school year. You can find them [HERE](#). If you have already purchased items from the original lists and would still like to send those extra supplies, we would gratefully accept them. Any additional supplies will be used to support Classical Prep families who may need assistance providing the required materials for their scholars.

We are incredibly grateful for the generous community we have built. Your willingness to support one another allows us to be good stewards of our resources while ensuring that every scholar begins the year with the tools they need to learn and thrive. Thank you for partnering with us in modeling generosity, responsibility, and care for our community.

It's time for our 8th grade scholars to choose their official 2026-27 class shirt!

Each design showcases the creativity and class spirit of this year's 8th grade class, and your child's vote will help decide which shirt their class will wear throughout the school year.

The winning design will be available for purchase in August, so be sure to watch for ordering information.

Scholars who purchase the 2026-27 8th Grade Class Shirt may wear it on designated Spirit Shirt Days throughout the school year, provided they have also purchased this year's Spirit Shirt or Spirit Savings Bundle.

Your child received an email with instructions to vote for their favorite class shirt design. Please remind them to submit their vote by Monday, July 20.

If you have any questions, contact Ms. Badal at mbadal@classicalprep.org.

Complete your volunteer application and background check today for the chance to embark on a journey of discovery and fun with us this year!

How To Submit Your Volunteer Application:

All Pasco County School volunteers are required to complete the Volunteer Application each year, beginning on July 1. If a volunteer has already completed Level 2 fingerprinting, it remains valid for five (5) years and does not need to be repeated annually. Volunteer applications must be approved by the district before volunteering. Please keep in mind that it can take up to 30 days for the background check to be processed.

Please **[CLICK HERE](#)** to fill out the application on the Pasco County Schools website. This site also includes information on how to schedule your required Level 2 background check if you have not completed one within the last five (5) years. For best results, please submit your application on a computer.

Bonus Incentives for Early Completion:

Families who complete their volunteer application and background check by Friday, July 31, will be entered into a drawing to win one of five Spirit Savings Bundles valued at \$55.00 each! Winners will be announced on Saturday, August 15.

As a thank you to all of the Classical Prep families who have completed the volunteer application process, we are offering two (2) volunteer hours towards your family's ten (10) required volunteer hours. *Two hours maximum can be claimed per family. [CLICK HERE](#) to log two hours for completing the Volunteer Application AND Fingerprints.

If you have any questions about volunteering, please reach out to Ms. Badal at mbadal@classicalprep.org.

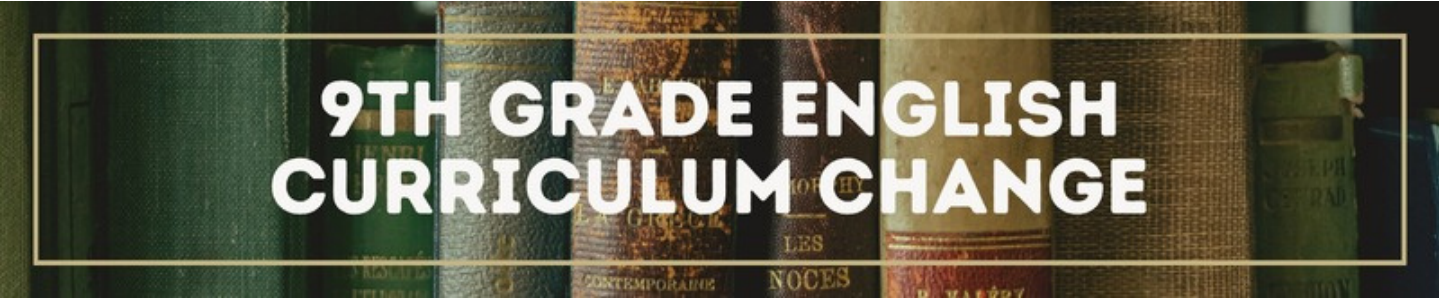

2027 Senior Class Families, celebrate your senior year by personalizing and painting your own parking spot! This is a wonderful way for our seniors to leave their mark and showcase their creativity as they embark on their final year at Classical Preparatory School!

Here's how it works:

1. **Eligibility:** This opportunity is available to all seniors who will be purchasing a parking permit for the 2026-27 school year. Click [HERE](#) to complete the application for scholar parking. Please turn this into the Front Office the day you come to paint your space.
2. **Cost:** There is a fee of **\$100.00** to participate. This fee includes a **\$30.00 annual parking fee** and a **\$70.00 parking spot painting fee**. Funds collected from the painting fee will go toward the senior trip fund. Payment can be submitted along with the **Scholar Parking Information & Policy Form**.
3. **Design Approval:** Scholars must submit their design for approval by Friday, July 31, to Ms. Badal at mbadal@classicalprep.org. All designs should be school-appropriate and reflect the values and spirit of our school community. Please avoid any offensive or inappropriate content.
4. **Painting Day:** Approved designs can be painted on Wednesday, August 5, from 8:00 AM to 2:00 PM in the Borealis parking lot. Due to popular demand, we have added a second painting day on Friday, August 7, from 8:00 AM to 2:00 PM. Painting dates will be assigned based on availability, and seniors will be notified of their scheduled date via email. Please bring your own painting supplies, including paint, brushes, and any other materials you may need.
5. **Guidelines:**
 - Only water-based exterior latex paint is allowed.
 - Be sure to tape off your space to avoid painting on neighboring spots.
 - Respect the environment and clean up any trash or unused paint materials.
 - Violations of any of these rules may result in the loss of parking privileges at Classical Preparatory School.

We can't wait to see the amazing designs our seniors come up with! If you have any questions or need further information, please contact Ms. Badal via email at mbadal@classicalprep.org.

Let's make this a memorable and colorful year for our senior class!

9TH GRADE ENGLISH CURRICULUM CHANGE

9th Grade Families,

As we continue preparing for the upcoming school year, we've made one adjustment to the ninth-grade English curriculum. After further review, **The Iliad** will serve as the primary anchor text for Quarter 1, as it more closely aligns with the standards, writing progression, and instructional goals for ninth-grade English.

As a result, **The Epic of Gilgamesh (Penguin Classics)** is no longer a required purchase. Scholars will still study *Gilgamesh* through selected excerpts provided in class, so there is no need to purchase the full text.

If you have not yet purchased **The Epic of Gilgamesh**, no action is needed. If you have already purchased a copy, we apologize for the inconvenience. If the book was purchased through the Amazon link we provided, it may still be eligible for return.

Thank you for your understanding and flexibility as we continue to thoughtfully refine our curriculum. We appreciate your partnership and look forward to welcoming everyone back for a successful school year!

Required ECG Screenings For Athletes

Beginning with the 2026-27 school year, due to the new Florida Law, Classical Prep is requiring that **all scholar-athletes in grades 9th-12 who participate in FHSA-sanctioned sports and anyone playing Football to obtain an ECG screening, regardless of whether they have previously participated in a sport.** [CLICK HERE](#) to review the attached flyer regarding required ECG heart screenings for scholar-athletes.

Who Must Obtain an ECG to play at Classical Prep?

- All 9th-12th grade athletes who participate in FHSA sanctioned sports, regardless of if they have played a sport before.
- Any athlete playing Football

To support this requirement, Pasco County Schools is partnering with [Who We Play For](#) to offer ECG heart screenings for scholars ages 10–22 for \$20 per scholar. Families may choose to complete the screening at any of the locations listed on the [Pasco County Schools flyer](#), which also includes registration information and sign-up instructions.

Did You Know?

- 1 in 300 young people has a potentially life-threatening heart condition that could lead to Sudden Cardiac Arrest.
- Sudden Cardiac Arrest is the leading cause of death on school campuses and among scholar-athletes.
- A standard sports physical may miss these conditions 96–99% of the time.
- A simple, non-invasive 5-minute ECG can detect these conditions 80–96% of the time.

We encourage all families with scholar-athletes to review this important information. To learn more about what an ECG heart screening involves, [CLICK HERE](#) to watch the video.

Summer Office Hours

Please take note of Classical Prep's adjusted office hours during the summer:

To schedule an appointment, please contact Mrs. Osborne directly at **813-790-9590**.

Important Reminder for Families with Dietary Restrictions or Food Allergies

If your child has a medically necessary food allergy or dietary restriction, please take a moment to complete this [FORM](#) so our food service provider can properly accommodate their needs.
